Hi Alex Ifundo, thanks for join us today!

Sergio Cardenas sent a chat · 10:36 AM

Will there be any workshops to work with simulated data of the SABIA-MAR mission?

sent a chat · 10:38 AM

I wondered if you could define the acronyms FHL and HSC for the audience?

Alex IFUNDO sent a chat · 10:38 AM

I agree, hi Igor

Igor Ogashawara (IGB) sent a chat · 10:40 AM

Following Sergio's question, is the spectral response function of the sensor available?

Gaston GK sent a chat · 10:44 AM

The orbit is sun-synchronous, at what time does it pass the Argentine coast?

Merrie Neely, GST sent a chat · 10:45 AM
